# FY23 Revenue Justification

The Personnel Board's revenue is collected as a portion of the Personnel Division Fund. The Personnel Fund receives revenue through a pro-rata ERE charge to every state employee's salary. The agency has recorded revenue estimates as level; this assumption is true if the state maintains the same level of employees.

**Mission:**

*To provide an efficient and impartial hearing process while carrying out the Board's statutory mandate to hear and review disciplinary appeals and whistleblower complaints filed by covered State employees, former State employees, and other individuals referenced in statute.*

**Description:**

The State Personnel Board is responsible for hearing and reviewing, via an administrative hearing process, appeals filed by covered State employees who have been dismissed from State service, suspended for more than 80 working hours, or involuntarily demoted resulting from disciplinary action. The Board also hears and reviews complaints filed under the whistleblower statute. Under the direction of the presiding hearing officer, the proceedings are conducted on an informal basis through the taking of direct testimony, the cross examination of witnesses, and the admission of evidence. A record of the proceedings is taken and made available, upon request, to hearing officers, board members, and parties to the appeal. The hearing officer determines the facts based on the evidence presented and makes a recommendation regarding discipline to the Board. Board members are subsequently provided with case information so they may determine whether proper discipline has been imposed.

◆ **Goal 1** To provide state agencies and employees/citizens with a fair and efficient administrative hearing process.

**Objective:** 1 FY2021: Reduce the appeal processing time to an average of 115 days or less.

# Agency 5-Year Plan

**Issue 1** Fair, impartial, and expeditious hearing process

**Description:** The State Personnel Board is responsible for hearing and reviewing, via an administrative hearing process, appeals filed by covered state employees who have been dismissed from covered state service, suspended for more than 80 working hours, or involuntarily demoted resulting from disciplinary action. The Board also hears and reviews complaints filed under the whistleblower statute. Under the direction of the presiding hearing officer, the proceedings are conducted on an informal basis through the taking of direct testimony, the cross examination of witnesses, and the admission of evidence.

**Solutions:**

The Board finds that the statutory timeframe of thirty (30) days for holding a hearing for an appeal or complaint from the date it is filed is unrealistic. Therefore, in an attempt to limit continuances so appeals and complaints are completed as expeditiously as possible, the Board is considering changing the statute to add additional time to allow for the parties to prepare for the hearing and to also consider the parties' input for scheduling the date of the hearing. Once statute is changed it is more likely that the Board will meet the objective of expediting the process with less continuances.

Currently, the stakeholders are only provided a survey after a case has gone to hearing in order to ascertain deficiencies in the hearing process and make improvements. However, many cases are dismissed and never reach the hearing process; therefore, there is valuable input lost as to the services that were or perhaps were not provided to the stakeholders even without a hearing. The Board is in the process of posting a survey on their website that can be prepared and submitted to the Board at any phase of the process so all aspects of service provided to stakeholders can be collected and evaluated for potential improvements.
